(issues) (4 book series) - reflections on evolutionary activism: essays, poems and prayers from an emerging field of sacred social change - smile big dream bigger (english and spanish edition) - real people, real problems, real jesus, real victory - sherlock holmes and the egyptian equation (classic ...

some black-and-white facts about the faeroese white ... - whether it has been lost, through time, since the last white-speckled bird was seen, or whether it might still occur in some individuals. a remarkable bird, occurring in small numbers in a remote place, will inevitably

ardnamurchan - the red deer rut - naturetrek - through the scope as it clambered out of the sea and over the rocks. we were driving back towards glenborrodale, when we caught a glimpse of several birds circling in a thermal. one of them was soon identified as a male hen harrier and we watched this beautiful raptor for several minutes.

news and comment - britishbirds - a pair of red-billed choughs pyrrho-corax pyrrhocoraxhas successfully nested in england, at a site in west cornwall, for the first time in 50 years. the news has delighted conservation-ists, especially in cornwall where the chough features on the county's coat of arms. the adults, which were first seen in cornwall last summer, were probably blown across the english channel from the small ...

biomass flow and scavengers use of carcasses after re ... - for some scavenging species such as the red fox (*vulpes vulpes*) and wolverine (*gulo gulo*) reproductive success has been shown to increase with additional food during winter [3,4]. humans unintentionally provide food for scavengers through hunting and wildlife-vehicle collisions, but these sources of biomass have large temporal and spatial variations. remains from hunter harvest are generally ...

the return of the common buzzard to warwickshire and its ... - example of how in a relatively short time a species can re-establish itself and perhaps offers some insight into the possible future success of the red kite (*milvus milvus*) and the common ravens (*corvus corax*) ability to recolonise lost territory.

the isle of wight in spring - naturetrek - looped track round and came across one or two red squirrels moving through the trees; however, when we were back at the vehicle and preparing to leave, a rather obliging young red squirrel was seen feeding happily in the trees above the car park. unfortunately, time was ticking away so we had to head off to the port and our ferry back to the mainland. as we left the port, a common seal popped ...

predation of arctic fox (*vulpes lagopus*) pups by common ... - ulation through infrared automatic cameras, we describe the first observation of a predation event by common ravens (*corvus corax*) on arctic fox pups at their den,

corvids - riverbanks zoo - corvids are intelligent and naturally curious, providing them with a problem to solve can keep them mentally and physically occupied for long periods of time. for example, food items can be
